

The Muslim headscarf – hijab – shows that she is a devout Muslim and believes Islamic teachings.

Yes, she is wearing the Muslim headscarf.

This likely means she believes there should be a worldwide Islamic caliphate, Islamic world dominance following Sharia.

Under Sharia, non-Muslims are lower than second-class. Some are to be murdered – people who are non-Christian and non-Jewish. Those who are to be allowed to survive are to pay a special tax, wear clothing signifying our lower status. We are utterly the lowest of the low. And we are never to speak of our religion near Muslims. This is absolutely forbidden.

All this is what she likely believes, this woman wearing the Muslim headscarf. Otherwise why is she wearing a sign showing she believes what is in the Quran.

She likely believes the marriage of girl children to adult men is fine. After all, the man she considers a prophet, Mohammed, married a 6 year old when he was over 50.

She likely believes it is fine to have slaves, just as Mohammed, the man she considers a prophet, had slaves. After all, he is to be a model for all men.

She likely believes it is fine to rape slave women, just as Mohammed had sex with a woman newly enslaved, when all the men of her tribe were murdered and all the women enslaved and raped.

This is what the woman likely believes, this woman wearing the headscarf. Otherwise, again, why would she wear the sign of believing what is in the Quran?

She likely believes in stoning gays.

But maybe, you think, she only wears the headscarf and is against just about everything in the Quran.

Maybe.

It doesn't make sense to count on it.

At any rate ask her: you are wearing the sign of being Muslim. That means you must believe at least some of the teachings in the Quran. Just what do you believe? All of it?

The Quran holds that the whole world is to be dominated by Muslims and governed according to Sharia. It holds that you are superior, and that all others are filthy Kafirs who are to be deceived, beheaded, crucified, plotted against, terrorized, humiliated. It holds that leaving Islam is to be punished by death. It holds that you – all Muslims – are to be killed if you leave Islam. It holds that non-Muslims are to be deceived by Muslims, if this in the best interests of Islam. It holds that you are not to be true friends with non-Muslims, though you may pretend to be friends. It holds that enslaving non-Muslims is fine. It holds that raping non-Muslim slaves is fine. It holds that non-Muslims are to pay a special tax to Muslims. We are not to speak of our religion near Muslims.

It holds that you are to be beaten if you are disobedient. It holds that, if you are raped, your word counts for one-quarter a man's word.

Of course, maybe she is not a good Muslim, this woman wearing the Muslim headscarf. Maybe she does not believe any of these things.

But why would anyone wear Nazi insignia if they did not believe in Nazi ideology?

Similarly why would she wear a Muslim headscarf if she is against what it teaches in the Quran?

So walking around in the West, she wears clothing signifying she wants the destruction of our culture, our way of life. She wears a headscarf signifying that she believes she is

superior, that non-Muslim women can be enslaved and raped, and that all non-Muslims are to be murdered or forced to submit and pay a special tax, the jizya.

Walking around, she is showing the world that she believes in a religion that upholds the creation of a worldwide caliphate, the dominance of Islam over all other religions and political ideologies.

What do you think of that? Of someone boldly walking around, showing they believe you, if you are non-Muslim, are utterly inferior, to be dominated?

A FEW REFERENCES:

Qur'an Sura 8:55, "Surely the vilest of animals in Allah's sight are those who disbelieve [non-Muslims] ..."

Qur'an Sura 8:12b, "... terrorize and behead those who believe in scriptures other than the Qur'an."

Qur'an Sura 58:20, "Those who resist Allah and His Messenger will be among those most humiliated."

So she is wearing the Muslim headscarf, very likely having Muslim beliefs, believing in the Quran.

Not safe for non-Muslims.

A woman is wearing the Muslim headscarf. What does it mean?

It means, first, that she is very likely serious about being Muslim.

Likely it means she knows that Mohammed's last lecture was on how hard to beat your wife and why to beat your wife (disobedience). Likely it means she believes that she – and all Muslim women – should be beaten for disobedience.

It likely means she believes her word is worth half a man's – and in cases of rape, only one quarter a man's. This is in the Quran.

It likely means she believes she should always be under the control of a man – father, husband, son.

It likely means she believes most of the inhabitants of hell are women. This is in the Quran.

It likely means she is okay with genital mutilation – genital mutilation is mentioned, and accepted, in the central Islamic religious texts. She is likely not a good Muslim if she is against genital mutilation. Maybe she is genitally mutilated, and also favors the mutilation of all Muslim females.

The Muslim headscarf. It likely means she believes that she, like all Muslims, is superior to non-Muslims. This is in the Quran. In fact, it likely means she believes that non-Muslims – whom she calls Kafirs – are filthy, and are to be deceived, beheaded, crucified, plotted against, terrorized, humiliated. Kafir – her word for non-Muslims – is the worst word in any language. This is all in the Quran, and as a devout Muslim, she very very likely believes it. Otherwise why is she wearing the Muslim headscarf?
